Declaration on the Use of Artificial Intelligence

Student name: Margarida Rodrigues da Silva Freire

Student number: 109526

I declare that all decisions and technical content that I produced for this project are my own work.

The following AI tools were used to assist in the development of the project and the preparation of the report. If no AI tool was used, write 'None'.

Tools used

Gemini (Google); Claude (Anthropic)

Purpose and extent of use

I used AI tools to clarify any queries regarding the syntax of the code (particularly with regard to the format of the code in the train.py, utils.py and my model.py files), to help correct any errors in the code, resulting from incorrect syntax, and to help create plots.

I declare that I fully understand the operation of every component of the project, including those developed with the assistance of the AI tools listed above.
